SUBJECT: State and Federal Legislative Matrix

Since the May 5th meetings of the Regional Council and the policy committees, the State Legislature has concluded its policy committee review of non-fiscal bills and turned its attention to the May Revise. As of this writing on May 12th, the Governor has pledged to fully fund Proposition 42 this year to the amount of \$1.3 billion. Fiscal committees must report bills by May 27th, at which point the budget negotiations begin in earnest.

In Congress, the Senate is expected to pass SAFETEA by May 13th, with the conference committee starting work by the end of May. Speculation continues that another extension will be necessary to complete the negotiations, but now a shorted extension is rumored, accelerating the time to finish the surface transportation reauthorization.
